About Company

Al Saleh Group – 1980, is a multinational organization, operating business activities from Saudi Arabia , Pakistan, China, United Arab Emirates, India, England and America. We are involved in manufacturing, Import, Export, general trading successfully. We have our own manufacturing facilities and also deal with reputed manufacturers, factories in order to meets the satisfaction in terms of quality as well as price competitiveness of the valued customers. Further we as general trading companies maintains a large in house data which enables us to quickly source commodities and materials and make prompt and competitive quotations for our customers requirements with the manufacturers information and specification. Through the years of excellent services to clients in International trade, The Group deltas earned trust of valued clients all over the world. This has resulted into new opportunities like providing services in oil and gas sector to facilitate their business in Pakistan. This will result in more foreign investment into our country to help fuel the economic growth. We are proud to be the part of a very prestigious community involved in Horse breeding & Horse racing all around world. To support this venture the Group owns and manages Stud Farms in Pakistan, South Africa and UK.

Welcome Message

Agha Sikandar Saleh Hayyat

Ceo Company

Over five decades ago, Al Saleh Group was founded on a core principle of Effectiveness. From day one, this vision has guided every aspect of our operations—shaping decisions, driving innovation, and setting high standards across all levels of our organization. Our mission extends beyond corporate goals; we are dedicated to upholding the highest levels of professional and ethical responsibility to contribute meaningfully to our country's future. We strive to make a lasting, positive impact on our nation's industrial legacy, so that one day, future generations will look back with pride on the foundation we helped to build for a better tomorrow.

Vision & Mission

Vision

To be a global leader and trusted name across a wide spectrum of industries, recognized for our commitment to quality, sustainability, and innovation. Al Saleh Group envisions a future where our operations support economic development, nurture natural resources responsibly, and improve the quality of life for future generations. We aspire to set benchmarks in each industry we serve, ensuring a legacy of excellence and impact worldwide.

Mission

AlSaleh Group is committed to delivering excellence across diverse industries, including oil and gas, dairy farming, poultry, stud farming, rice, textiles, surgical instruments, leather garments, and agriculture. Through innovation, ethical practices, and sustainable solutions, we aim to provide high-quality products and services that meet global standards. We are dedicated to fostering growth, enhancing value for our stakeholders, and contributing positively to the communities in which we operate.

Milestone

AlSalehGroup hasreachednumerous milestones that reflectourdedicationto excellence and innovationacrossvarious industries. Each achievementstrengthensour commitment to sustainablegrowth,quality,and positive impact on global marketsand communities.

2025

In line with our commitment to environmental responsibility and innovation, Al Saleh Group will launch its Sustainable Energy Initiatives in the second quarter of 2025. This milestone marks a significant step towards reducing our carbon footprint across all sectors, particularly in oil and gas, agriculture, and manufacturing. Through investment in renewable energy sources and eco-friendly technologies, this initiative will help us advance our goal of sustainable growth while setting a new standard for environmental stewardship in our industry.

2024

In 2024, Al Saleh Group reached a significant milestone with the expansion of its agricultural and farming divisions, encompassing poultry, stud farming, dairy, and crop cultivation. This growth underscores our commitment to sustainable and efficient food production, with each sector embracing advanced practices to ensure quality and responsibility. Our poultry farms now feature enhanced animal welfare systems, while our stud farms prioritize high-quality breeding through innovative genetics. In dairy, we implemented automation and optimal herd management to elevate production standards. Our agricultural practices now incorporate precision farming techniques, conserving resources and boosting yield. Together, these efforts reinforce Al Saleh Group's role as a leader in sustainable agriculture and farming excellence.

Our Service

Individual

AlSaleh Group offers a range of Individual Services designed to meet personal needs, including tailored financial consulting, premium healthcare products from our dairy and poultry farms, and professional development training in various sectors. We prioritize personalized attention to ensure every individual receives the support and resources necessary to achieve their personal and professional goals.

Company

Our Company Services provide comprehensive support to businesses across multiple industries, including supply chain solutions in the rice, textile, and leather sectors, sustainable sourcing of raw materials, and operational consulting for food processing and agricultural practices. By leveraging our extensive expertise, we partner with organizations to enhance efficiency, drive innovation, and promote sustainable business practices that benefit both the economy and the environment.

Al Saleh Group is committed to delivering tailored services for both individuals and businesses. We provide personalized solutions in financial consulting, healthcare products, supply chain management, and operational consulting across various industries.

Our Project

Project 1

In line with our commitment to environmental responsibility and innovation, Al Saleh Group will launch its Sustainable Energy Initiatives in the second quarter of 2026. This milestone marks a significant step towards reducing our carbon footprint across all sectors, particularly in oil and gas, agriculture, and manufacturing.

Through investment in renewable energy sources and eco-friendly technologies, this initiative will help us advance our goal of sustainable growth while setting a new standard for environmental stewardship in our industry.

Project 2

Al Saleh’s welfare project in Pakistan is a comprehensive initiative aimed at uplifting vulnerable communities. It supports widows by providing them with stitching machines for income generation, offers a rehabilitation institute for disabled individuals to receive therapy and skill training, and provides essential grocery packages to needy families. Additionally, Al Saleh awards scholarships to students from low-income backgrounds to ease their educational expenses. The project also includes the establishment of schools under the Aina Education program, offering quality education to children from impoverished families. Through these efforts, Al Saleh is empowering communities across Pakistan to improve their living standards and secure a brighter future.

Al Saleh is a multinational organization involved in industries like oil and gas, dairy farming, textiles, and more, alongside impactful welfare projects in Pakistan. These initiatives support vulnerable communities with resources for widows, rehabilitation for the disabled, and education for underprivileged children.
